11/30/00          A00-07-043          Pacific Gas and Electric Company, for authority, among other things, to increase rates and charges for electric and gas service effective on January 1, 2001, and on January 2, 2002

**Summary:** On November 28, 2000, James Weil, Director of Aglet Consumer Alliance, met with Cmmr. Wood in an all-party meeting in San Francisco. Also present were: Maryam Ebke, advisor to Cmmr. Wood; Rosalina White of the Public Advisor's office; Pat Gileau, Ramesh Ramchandani and Martin Lyons for the Office of Ratepayer Advocates; Les Guliasi, William Edwards and Bruce Bowen for Pacific Gas and Electric Company (PG&E); John Hughes and Mike Hoover for Southern California Edison Company; and Joe Como for the City and County of San Francisco. Weil stated that if the Commission approves interim balancing account protection for PG&E's 2001 attrition revenue requirement, then the Transition Revenue Account (TRA) is an appropriate account. Weil indicated that it would be beneficial to begin litigation of attrition issues before late summer 2001. Weil expressed concern that transfer of overcollections in PG&E's vegetation management balancing account to the TRA might not achieve the Commission's intent to protect ratepayers against underspending of authorized tree trimming expenses. In discussion on interim attrition, Weil argued for a finding that PG&E recognizes that increasing TRA debits to include interim attrition funds might increase PG&E's risk that it might not recover some transition costs. Finally, Weil stated that early interpretation of D00-02-046 regarding attrition amounts or formulas might save consumer parties the effort of unnecessary discovery and review.
